ACCEPTING MEMBERSHIPS

It's almost summer!! Think warm, sunny days....FUN in the SUN!! Terrific parties are being planned and many new ideas are in the works, and there are some new board members and some openings for those still interested. "What are we going to do today?" your children will ask each morning. As a Club Royal member, you have your answer. The children are going to stay active and healthy, socialize with new and old friends and enjoy quality time with the family. The adults can relax, read a book, chat with friends, enjoy a cool beverage and save. Unlike city pools, Club Royal is open every summer day for your membership enjoyment. The Pool is insured and staffed with certified lifeguards at ALL times. For more information, see our website at www.clubroyalpool.org.

Club Royal offers many fun events during the summer:

- Swim team for ages 5-17.
- Splash day - Our first party of the season features food, fun and games
- July 4th Parade and Party - A neighborhood parade with pool party of food and games
- Steak n' Bake Party - It's back!! It was very popular for grownups to bring your own steak and we do the rest.
- Family night socials- wind down the week with your friends and neighbors
- Movie nights
- Live Band and DJ parties
