## 2023 MEMBERSHIP AGREEMENT

### GATE, GATE CODE, AND SIGNING IN:

The pool is for paying members and their (signed in) guests only. All members will be issued a new gate code at the beginning of each month, via email. **DO NOT** give your gate code out to anyone - ever.

**The CRP front gate must remain closed and locked at all times.** Always close the gate behind you when entering or leaving the pool. The gate may not close automatically. The lock will automatically SELF-LOCK within 30 seconds.

Always sign in by legibly printing your first and last name, your arrival time, the number of members and the number of guests for this visit.

### CHILDREN AND GUESTS:

Children under the age of 14 must be accompanied by an adult.

Children in diapers are required to wear "Little Swimmers" when in the pool. NO DIAPERS ARE ALLOWED. Should there be an accident, please contact a board member immediately.

The inviting member must accompany guests all times. Guests are limited to five (5) people per membership at any given time. Fees are required for all guests, there are no free guests. Guest fees are \$5 per person per visit and must be paid by the member at the time of the visit. Payment options include **Venmo** @Kelly-Plank-1, by **PayPal** via [www.clubroyalpool.org](http://www.clubroyalpool.org) or by cash. If paying by cash, write the member's name and the number of guests on an envelope (available near the sign-in sheet), enclose the payment, seal the envelope, and insert in the slot inside the small window. The QR code for Venmo payment is in the lower right corner of the display that is above the sign-in sheet.

For larger groups of guests (6+), please contact Janie Bush at [clubroyalmembership@yahoo.com](mailto:clubroyalmembership@yahoo.com) to discuss party reservations and fees. Each membership is permitted to have only 1 party per month.

### LIFEGUARDS:

**NO LIFEGUARD ON DUTY REGULARLY.** You are responsible for watching your children at all times. We will have lifeguard(s) for parties, large events, most weekends, and limited hours during the week. When a lifeguard is on duty, he/she will take a 10-minute break each hour. Anyone under 14 will be required to leave the pool during the breaks.

Lifeguards are charged with maintaining a safe environment at Club Royal Pool. This means they will correct children as well as adults who are not complying with the pool rules or behaving in an unsafe manner. It is their job to do so. Please treat them with respect. **Harassing or abusive behavior toward the lifeguards will not be tolerated and may be grounds for revocation of membership with no refund.**

No one is allowed on the lifeguard stand except the lifeguard.

## **POOL HOURS AND IN THE POOL RULES:**

Pool hours are 8 a.m. to 9 p.m. Sunday through Thursday and 8 a.m. to 10 p.m. Friday and Saturday.

Please shower or rinse off before entering the pool.

Proper swim wear must be worn in the pool – no cut-offs or street clothing.

Non-swimmers with flotation devices (including life jackets, arm wings, and inflatable rings) must be accompanied by an adult at all times whether in the shallow or deep end of the pool.

Large floats or rafts may not be used in the deep end. Lifeguards may ask that multiple large items be removed from the pool if those items hamper the lifeguards' ability to see swimmers.

Do not sit or hang onto the pool safety rope.

Diving is permitted only in the deep end of the pool.

Only 1 person at a time is allowed on the diving board. The next swimmer must wait to leave the diving board until the previous swimmer has reached the side of the pool.

Hanging off the diving board is not permitted.

## **GENERAL RULES:**

NO GLASS CONTAINERS are allowed inside the pool enclosure.

Pets are not allowed inside the pool enclosure.

Eating is not allowed in the pool or while sitting on the edge of the pool.

Horseplay, pushing, shoving, running, and chasing are not allowed.

Smoking/vaping is not permitted in or near the pool. Smoking is permitted at your table, away from common areas.

Members who bring their own speakers for music must keep the volume at a level for their table only. Music selections may not be vulgar or profane.

All members must clean up after themselves. This includes picking up trash, wrappers, pool accessories, etc. A receptacle is provided for recycling aluminum cans and a recycling bin is provided for other recyclables. (Pizza cartons are not recyclable unless they are clean and grease-free.)

If chairs or lounges are moved, put them back in their original positions. Chairs, lounges and tables have specific uses. Your child standing, climbing or jumping is not what these items are designed for.

Do not move grills. Clean grills as well as any CRP grill tools completely after use and empty the grease pan. Do not put meat scraps or bones in the CRP trash cans. Take that trash home to dispose of it.

Lower umbrella when you vacate a table.

Do not touch, plug, or unplug the aerator (sprayer). It is used only when it is necessary to cool the water temperature.

## **EMERGENCIES:**

There is a 911 emergency-only phone. Do not touch or use unless you have a legitimate emergency. The fine for a false 911 call can be up to \$2500. Make sure children know not to touch the phone unless it is for an emergency.

Club Royal Pool has adopted these rules using data from various other swim clubs, and the volunteer board has concluded they are reasonable and fair. It is the responsibility of each member to see that the rules are followed. This is not only your right, but also your obligation. Remind a member of the rules if you see someone breaking a rule or notify a member of the Club Royal Pool Board.
