HISTORY OF CLUB ROYAL POOL

Club Royal Pool is a private swimming club that was founded in 1963 by some pioneering North Dallas families that wanted a quiet, relaxing getaway for swimming and family fun. They didn't want the hassles of maintaining their own home pool. So, these families purchased land between Webster Grove and Royal Hills subdivisions and built a swimming pool.

Today, the club is situated on two acres of land at 3433 Townsend Dr. in Dallas, Texas. The facilities include a 75-foot swimming pool that's 25 yards, a separate baby pool, and a picnic pavilion with barbecue grills, a covered patio and a playground.

Club Royal Pool is a neighborhood pool. Club Royal Pool is owned and operated by your local neighbors who serve as the board of directors for an incorporated non-profit organization on behalf of the membership. There is no big corporation like the pool of some impersonal apartment complex or planned residential community. Many of our families have been playing and relaxing at the pool for generations. Our pool is only as good as WE make it. Getting involved is a great way to get to know your neighbors and better our neighborhood. Come have some fun with us!
